of our own in Nebraska. The next best thing we could have, if a regional facility can be developed, that we get it in the State of Nebraska. I think it's a beautiful opportunity. I think we ought to be one of the first to get our bid in that we show that we have an interest in having it in the State of Nebraska. Thank you.

PRESIDENT: The question is the adoption of LR 65. Record your vote. Have you voted? Record.

CLERK: 32 ayes, 0 nays.

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, the next resolution is LR 66. Introduced by Senator Mahoney. It's found on page 1908 of the Legislative Journal. (Read title).

PRESIDENT: Senator Mahoney.

SENATOR MAHONEY: Mr. President, I would appeal to those Senators that are out of their seats to give them time to go back to be sure that they vote on this one. If you remember that extra little service that you got from the Pages, that many of them are not going to be able to return, that they will want a copy of this resolution and I'm sure they'll want to see all of your names on there. I wanted to express the Legislature's deepest appreciation to their loyalty to the job. They've probably been some of the finest Pages that we've had over our years. We truly are grateful to them, particularly the group that is going to be leaving us. There are many of them that have been working with us for several year. They have done their job well. They always come forward with a cheery smile, even though many times we have a grouchy, grumpy attitude as myself and some of the others when we are deep in thought. I wish that every Senator would vote on this resolution and take the occasion to compliment and congratulate the fine work that they have done. Instead of calling them Legislative Pages they truly have been Legislative aids and assistants.

PRESIDENT: Any other discussion? This is the only issue the Chair wishes it could vote on Senator Mahoney. Record your vote. Have you voted, Senator Barnett? Has everyone voted? Senator Goodrich's button has not been pushed.

SENATOR MAHONEY: I think that there were one or two Senators that were in the Rotunda out there. I'm sure if they hear my voice they'll come in because they probably ... are they all here you say Senator Wiltse? Oh. OK, good. Alright, good, fine. There are two absences are they. I thought it just would be great if they had the complete roll call on it. Fine we'll make it unanimous. I'll make a motion that it be unanimous. I'm sure that the one non-voting member would be with us in congratulating them on this resolution.

PRESIDENT: Record the vote. Next resolution.
